ARE WE A GOOD FIT?

**Tyrone
Oldham**

Fullstack Developer

email: oldhamtyrone@yahoo.com

Work Experience

2020 - Present: Full Stack Web Developer.

As a web Developer, after much study, bootcamp, and self-paced course I am currently seeking employment as a developer. I am opened to working with any stack.

2020 - Present: Full Time Pastor.

- Provide Pastoral leadership and guidance.
- Prepare, and present sermons and teaching materials on a regular basis for worship.
- Officiate special occasions, such as confirmations, weddings, baptisms, and funerals.
- Collaborate with other Leadership and Officials on a local, city, state, and National level.

2020 - 2020: Instructor, School Teacher.

- Prepared lessons, units, and projects to complete learning objectives.
- Adapted teaching methods and materials to meet the learning styles of various students.

Before - 2020: Drafting Systems Coordinator.

- Operated Data Base Retrieval System
- Write small programs in Unix using PEARL
